

V. REMARKS

Claim 1 is pending in this application. By this amendment, claim 1 has been amended. Applicant does not acquiesce in the correctness of the rejections and reserves the right to present specific arguments regarding any rejected claims not specifically addressed. Further, Applicant reserves the right to pursue the full scope of the subject matter of the original claims in a subsequent patent application that claims priority to the instant application. Reconsideration in view of the following remarks is respectfully requested.

In the Office Action, the drawings are objected to for shading. Applicant has corrected the drawings to eliminate the shading. The specification is objected to for informalities. The specification has been amended to cure the informalities. Claim 1 is rejected under 35 U.S.C. §112 as allegedly being indefinite. Applicant has amended claim 1 to modify the limitations indicated by the Office.

VI. CONCLUSION

In light of the above, Applicant respectfully submits that all claims are in condition for allowance. Should the Examiner require anything further to place the application in better condition for allowance, the Examiner is invited to contact Applicant's undersigned representative at the number listed below.

Respectfully submitted,
